

## ABOUT US

Accelerate4KIDS® is a 501c3 nonprofit organizations dedicated to equipping K-12 Detroit youth in under- resourced communities with the necessary skills for opportunities in computer science and STEM fields. Our accreditation by STEM.org serves as a validation of the excellence in technology education we provide. Through our unique programs, we not only impart technical knowledge but also cultivate essential 21st-century skills such as creativity, critical thinking, collaboration, communication, and social emotional learning. We believe that our innovative initiatives lay the foundation for shaping creators and leaders of tomorrow.

## COLLABORATORS

Center for Success, Central Michigan University TRIO, CS For Detroit, Detroit Area Pre-College Engineering Program, Detroit Public Schools Community District, Detroit PAL, Fifth Third Bank, Ford Motor Company, Hazel Park Schools, United States Tennis Association, USTA National Junior Tennis & Learning, Teach 4 America, ZF Group, and more.

## OUR MISSION

To provide quality digital learning and STEM education to youth in under-resourced communities so they too can live a life of opportunities and prosperity.
